100% cotton

- Soft and breathable fabric. This means that air moves through pieces of apparel and moisture evaporates.
- Suitable for children and those who are allergic to synthetic fabrics. Looks expensive on you.
- Perfect for all seasons. Pairs good with all other fabrics that you have. Does not shrink easily.

Easy wash & care

- Easy to remove stains of all types: ink, butter, juices, cherries, coffee, chocolate, ice cream, oranges, etc.
- Add a half cup of vinegar to your washing machine when rinsing cotton items to kill the germs.
- Don't overdry cotton clothes and then you will not have to iron them. When washing, turn the clothes inside out.
